

CHARTBOOK: MEDICAID PHARMACY BENEFIT USE AND REIMBURSEMENT IN 1999

INTRODUCTION AND OVERVIEW

This chartbook, prepared for the Centers for Medicare & Medicaid Services (CMS) by Mathematica Policy Research, Inc., presents highlights and key comparisons from the Statistical Compendium on Medicaid pharmacy benefit use and reimbursement in 1999. The 26 exhibits in the chartbook are summarized below.

Beneficiary Characteristics and Illustrative Use and Reimbursement Measures

Exhibit 1: Distribution of Medicaid Study Population Beneficiary Characteristics

Exhibit 2: Illustrative Measures of Study Population Pharmacy Benefit Use and Reimbursement

Use and Reimbursement by Type of Beneficiary

Exhibit 3: Average Monthly Medicaid Pharmacy Reimbursement by Age Group

Exhibit 4: Distribution of Age Groups and Total Pharmacy Reimbursement

Exhibit 5: Average Monthly Medicaid Pharmacy Reimbursement, by Basis of Eligibility and by Dual Status

Exhibit 6: Distribution of Beneficiaries and Total Pharmacy Reimbursement, by Basis of Eligibility

Exhibit 7: Distribution of Dual Eligibility Status and Total Pharmacy Reimbursement

Exhibit 8: Average Monthly Medicaid Pharmacy Reimbursement Among Dual Eligibles, by Use of Nursing Facilities

Exhibit 9: Distribution of Annual Pharmacy Reimbursement for Dual Eligibles, Under-Age-65 Disabled vs. Age 65 and Older

Exhibit 10: Percent of Under-65 Disabled Dual Eligible Beneficiaries with Annual Pharmacy Reimbursement of \$5,001 or More, by State

Exhibit 11: Percent of Annual Pharmacy Reimbursement for Under-65 Disabled Dual Eligible Beneficiaries Accounted for by Those with Annual Pharmacy Reimbursement of \$5,001 or More, by State

Use and Reimbursement by Type of Drug

Exhibit 12: Total Annual Medicaid Reimbursement for Top 10 Drug Groups

Exhibit 13: Reimbursement as a Percentage of All Pharmacy Reimbursement and Users as a Percentage of All Beneficiaries for Top 10 Drug Groups

Exhibit 14: Reimbursement as a Percentage of All Pharmacy Reimbursement and Users as a Percentage of All Beneficiaries for Top 7 Therapeutic Categories

Exhibit 15: Total Medicaid Reimbursement for Top 10 Drug Groups Among Dual Eligibles

Exhibit 16: Distribution of Total Number of Prescriptions and Total Pharmacy Reimbursement, by Brand Status

Exhibit 17: Generic Prescriptions as a Percentage of All Prescriptions, by Basis of Eligibility

Exhibit 18: Share of Medicaid Pharmacy Reimbursement by Brand Status for Top 3 Therapeutic Categories

State Rankings

- Exhibit 19: Average Monthly Medicaid Pharmacy Reimbursement, by State
- Exhibit 20: Generic Prescriptions as a Percentage of All Medicaid Prescriptions, by State
- Exhibit 21: Average Monthly Medicaid Pharmacy Reimbursement Among Dual Eligibles, by State
- Exhibit 22: Pharmacy Reimbursement for Dual Eligibles as a Percentage of Total Medicaid Reimbursement for All Services for Dual Eligibles, by State
- Exhibit 23: Average Annual Pharmacy Reimbursement Amount per Beneficiary for Dual Eligibles, by State
- Exhibit 24: Average Annual Pharmacy Reimbursement Amount per Beneficiary for Under-Age-65 Disabled Dual Eligible Beneficiaries, by State
- Exhibit 25: Pharmacy Reimbursement for Dual Eligibles as a Percentage of Total Medicaid Pharmacy Reimbursement, by State
- Exhibit 26: Pharmacy Reimbursement for All-Year and Part-Year Dual Eligibles in Nursing Facilities as a Percentage of Total Medicaid Pharmacy Reimbursement, by State
